

MOTHER GOOSE TIME COMPREHENSIVE PRESCHOOL CURRICULUM

Here at KIDS we use a curriculum specifically designed for preschool age children to help them develop and grow. Mother Goose Time is a research based preschool curriculum that fosters a joy for learning through sensory based experiences. This curriculum supports a child's social-emotional, physical, and cognitive development.

Our curriculum follows the Indiana State Standards and Head Start Indicators. Feel free to refer to the Mother Goose Time Curriculum website at www.mothergoosetime.com

COMMUNITY SERVICE

KIDS is dedicated to making sure that each child is taught to be well rounded in all that they do here at the preschool. With each monthly theme, they will learn a value that we will discuss and practice. Within each value, there will be a monthly community service project that we will do to benefit our community. KIDS feels that it is important that each child learn at an early age how to give back to their community.

KIDS

is a preschool that will

RECYCLE!

NUTRITION

Making sure that each child has a nutritious lunch and 2 healthy snacks everyday is important to us. Each month we will provide a calendar of what each meal and snack will be. (Keep in mind that we will not serve breakfast.) The meals will include all 4 food groups, and the snacks will be filling but nutritious so that your child can maintain their energy level. No candy or processed sweets will be served.. Please let us know if your child has any type of food allergy.

JUICE PLUS

Juice Plus is whole food based nutrition, that allows your child to receive the correct amount of fruits and vegetables they need per day. From time to time, we will have this as part of our snack. Juice Plus for kids comes in a fruit snack form. These have proven to help benefit the health of adults and children. Please let us know if you would rather your child not receive this at snack time. Further information available upon request.
